Two Lake Collaborative Sewer Authority Hosts Public Hearing

(MANISTEE COUNTY, MI) — The Two Lake Collaborative Sewer Authority (TLCSA) will be hosting a Public Hearing regarding the proposed low-pressure sewage collection system for areas of Bear Lake Township, Pleasanton Township, Onekama Township, and The Village of Bear Lake.

This Public Hearing is part of the funding request process through the US Department of Agriculture – Rural Development (USDARD) and will take place 6pm on Tuesday, August 30, 2022, at the Farr Center in Onekama, MI.

The TLCSA will be applying for funding through USDA Rural Development.

Anyone with questions or comments about the proposed project are welcome to attend and submit those questions or comments during this Public Hearing.
